‘The Witch Hunt Culture’

to make a casual remark to stir up fear
da recipient of the prize to put sth beyond discussion
equally suited to a scientific career to close the gap between
be forced out of the position a presumption of innocence
an honorary professor a durable feature
be reprimanded by sm scapegoating
be hounded in the press to come to the surface
be subjected to a hate campaign be torn apart
a deplorable episode be stripped of protection
in punishment of sth be cast out from the city
a thought crime killed with impunity
to put the blame on sm to take revenge for sth
malice to give way to sth
ignorance to restore a threatened sense
to take account of sth in fear for sm’s life
on the surface to show a way out
to stand up for victims be besieged by sth
to repudiate hierarchies blasphemy
to take offence to recourse to social resentment
to take sth out of context to direct frustration
to address an argument in the grip of political correctness
the unquestionable righteousness on the lookout for sm
to expose sm to public humiliation every crime in the ledger
name-calling labels to consider propositions
to silence sm to sift through our words
to attract a charge a concerned friend
to preclude all discussion to speak peaceably
reconciliation to shrug off sth
to recast legitimate anxieties to venerate truth
