

Money management Bizdaily

self-confessed	to turn a blind eye to sth
financial literacy	a head in the sand
littered with decisions	to look out for yourself
save for retirement	to overstretch yourself financially
to gain traction	to conform to
to pass a bill	a wealthy background
to downsize	keep up with the Joneses
be bad with money	be dressed up for work
flawed relationship	get a leg up
to pay off a loan	be in denial
a steep learning curve	a long commute
a vague idea	indulgences
a savings account	to eat out
gig economy	out of necessity
to piece together income	to teach you the ropes
in isolation	to set a standard
overall	in an income bracket
to go through a crisis	social comparison
to dodge sth	disposable income
