

Cinemas: Open, but nothing to show

the movie business

blockbusters

cash cows

the big picture experience

to go through a financial ruin

a feature film

to shelve sth

to get a release

bewildering

cash infusion

sell capacity

an auditorium

a hub of entertainment

below expectations

to wag a finger

to take great lengths

to go out of business

a reversible process

to slip away

to cross your fingers

a scary headline

friendly rivalry

to follow suits

to keep sth afloat

online streaming services

viewing habits

to drag out

recession-proof

affordable entertainment
