

## Gamestop: Is it really a case of David vs Goliath?

stock traders	have the edge
pandemic boredom	insight into the order book
a populist revolt	an uneven playing field
an amateur investor	to democratise stock trading
a brick-and-mortar retailer	financially sophisticated
a struggling company	be under fire
the market dynamics	market sell-offs
from all walks of life	a make-or-break moment
a surge in the price	to trade on margin
to short the stock	be in for a big disappointment
to run into financial trouble	to lose out
to take to demonstrating	a change in the fundamentals
to review the curbs	the sentiment has turned against sm
to advocate for sth	to execute a strategy
to add fuel to the fire	to learn a trick
fiercely guarded secrets	a class action lawsuit
publicly available information	to win against Wall Street
through sheer volume	to uncover the tactics
