

## Rethinking time

- to slow time down
- to use time wisely
- to keep track of time
- markers of time
- all the time in the world
- to come to a standstill
- to trick your brain
- to perceive time
- the clock time
- mind time
- a series of snapshots/ clips
- the perception of change
- to receive impressions
- be rooted in routine
- an alien concept
- to fall into a new routine
- to let your time slip through fingers
- time management
- to make best use of time
- external demarcations
- to put yourself in a mindset
- to delineate a day by tasks
- guilt free
- be mindful
- be predicated on a notion
- to acclimatise
- timeless surroundings
- to live in a fantasy
- problem gambling
