

A point of view 'The right side of history' (21 Jan 2022)

to become a bible for sm

to make a case

subjective to the moment

all shapes and sizes

to take sth home

to fashion the history

to decry as exclusive, narrow

deeply unjust

common practice in the academic sphere

to penetrate into the darkness

to revisit sth

be sport for historians

society at large

dubbed as the culture wars

to preserve heritage

to showcase life

built on the proceeds of slavery

to stick a plaque

to make it onto the plinth

to put sth in context

to do justice

to take the law into your own hands

to cause criminal damage

the jury is out on sth

to dump the statue

be on the right side of history

former villains
heinous
prosecuted under laws
a mind-numbing figure
executed as witches
to issue pardons
a moot point
to vehemently decry
complacent
morally certain about judgements
abhorrent views
to take issues with sth
to mark the end of sth
to revolve in his grave
to come over the horizon
low level environmental criminals
to add to the damage
an appetite for cotton
to deflect sth
it does what it says on the tin
a moral philosopher
a tyranny of human over non-human animals
animal liberation
to spearhead a heated debate
to cause pain
to recognise moral blindness
to confront a boundary

the treatment of race / gender

factory farming, animal testing

to revolve around sth

to prove radical

a convert to veganism

to fastforward 60 years

biodiversity

the accelerated rate of extinction of species

an insatiable appetite for meat eating

unstoppable growth of AI

a lens through which we judge humanity

to catch sm out on sth
