

*A Point Of View 'Pile of Books' 11 Nov 2022*

a bedside table

to retire to the horizontal

an avid reader

literary eyes

to do better on sth

to feel triumphant

time and again

the stack of the unread

to wobble

indigestible

to give up on sth

doom-scrolling

to take up a habit

a short attention span

enticing

at the height of reading

dumbfounded

overripe

juicy fresh narratives

a weighty work

the quest for plot

compelling narrative

to shut the blinds

to set a golden rule

literary consumption

precarious
