

*Remote working Bizdaily 20 Sept 2022*

to go fully remote

across the globe

in the spirit of

at a holiday camp

to emerge from the pandemic

computer-based office jobs

to exercise the right to choice

to assuage fears

long hours culture

committed to the job

to embrace hybrid working

to shift to sth

to tap into a talent pool

to spot an opportunity

to extend the reach

be home to sth

be based in

to give an insight into sth

to catch up with sm / on sth

to run errands

to clock out

to cause disruptions to work

to open up opportunities

to partner with sm

to help sm out

a continual change

cost-wise

vacant offices

to allocate resources

to pop up

to entice sm with sth

to damage promotions

on and off

to wrap up a meeting

to take a leap of faith

continued acceleration

behaviour inertia

to remain in the job

to create a sense of belonging
