creatives

god-given talent

appreciative of sth

have an artistic side

critically acclaimed films

a much revered director

to fall apart

one thing led to another

to compartmentalise sm

to overlook the fact

transferrable skills

to become iconic

to go with the spirit of

bewildered

in this day and age

the cut-throat world

a portable player

it stuck with me

to pigeonhole sm

to build a persona

to lay your hands on sth

to leap forward

to draw on sth/ the idea

to become mainstream

to get hooked on sth

to pick up business skills

wacky ideas

to go by the wayside

to frown

to take sm seriously

a secret to sth

a side hustle

to do coding

detrimental to the image

to dumb sm down

to lean on skills
