

*Bizdaily 20 June 2023 Portugal digital nomads*

a bustling capital

high-value workers

an emerging type

highly mobile

a tempting offer

to toy with an idea

to contemplate sth

a special lower tax rate

time management

a freelance consultant

the time zone

no strings working arrangements

chic places

the dream crystallises

natural light

a co-working space

an upmarket hub

dedicated desks

an influx of money

a golden visa

disposable income

to raise living standards

preferential treatment

not enough to go round

social housing

unique to sth

both sides of the coin

disrespectful

to rub people the wrong way

trickle-down economics

an economic driver

a scapegoat

a housing policy

gentrification

to dispense advice

to flip open a laptop
