

*Bizdaily 8 March 2023 Beauty Bias*

physical beauty

your looks

ubiquitous

a weight stigma

better-educated spouses

be favoured by society

pleasing to the eye

to swap stories

under-qualified

to expose the realities

to show up

to sustain the look

through the lens of ...

quick-witted

to go beyond the confines of ...

a high degree of attention

to come into play

unequivocally

to value beauty

for reproductive purposes

rampant in the workplace

to shed the weight

be tied to perceptions

unworthy

unlikeable

second helpings

to glorify diet culture

body image issues

be ingrained in society

to go unchecked

inclusion

fat phobia

sensitivity training

non-job related factors

a back pay

personal grooming

to speak out against sth

to dismantle prejudices
