

*Bizdaily Interior design 8 Aug 2023*

to make sense of sth

to visualise sth

to move sth around in your head

to pore over

a luxury yacht designer

on a budget

a fabulous home

to re-hang a picture

have an artisan feel

a creative hub

to lay out schemes

to immerse yourself into

to get into the zone

within a neutral backdrop

the feeling of calmness

an eclectic mix

an alter ego

to go into sm's head

inward thinking

pop-up books

a pivotal moment

to tour around

be thrown in jail

artistic flair

high-profile clients

have it in you

self-taught

a control freak

boutique hotels

the cost of living crisis

to pull items together

a geek

integral to mental health

on the top of the list

to strive for more

to stay relevant

to fight your battles
