

*Bizdaily 3 Nov 2023 Babble CEO*

a daily habit

to get consistency

to sprout

blended learning

paid membership model

computer-led lessons

a talent pool

to point fingers at sm

an age-old skill

to bring sth to the table

an intensive spike

in-person learning

to preach to the choir

human to human interaction

to pick sth up

to increase the reach

gamification

to crack a joke

task-completion learning

to double the activity

to homeschool children

to go public

cash-generated

in hindsight

hard to crack

to pull it off

learning mechanics

early dementia

to age well
