cobbled street

to travel full time

laptop wielding nomads

to turn your back on sth

to cool off in the ocean

an urge to travel

to exist on the move

to put sth in storage

a retiree

a slow-travelling lifestyle

to live on pension

month-to-month rentals

shared common areas

to build lasting connections with people

a trade-off

a circle of trust

a match-making app

a tech-oriented community

high-wage jobs

to snap up workforce

to keep track of sth

in super detail

to backtrack

the path of least resistance

to abide by the tax system

be crystal clear

to turn a blind eye on sth

to dodge tax

to negate the impact

have a taste of sth

home comforts

to crave your own space

a daily occurrence

become spoilt
