the rise of influencers

an ongoing debate

where the boundaries lie

to go elsewhere

to take over public spaces

out on the sea front

to shoot footage

push my patience beyond all bounds

a tripod

to hold a table

go beyond decency

become intrusive

say no to filming

bring new customers through the door

popular with people

make money out of it

to reach a wide audience

an easy sell

7 in 10 consumers

no ... in sight

a unique selling point

interfere with the feel of the cafe

glossy

to happen overnight

to push lives online

lowest hanging fruit

to become the backdrop

close-ups

.. is in my shot

to give sm a disgruntled look

line-ups around the block

to put sth on the map

to get a hard time

mindful

be upfront on sth

to put up a sign
